Financial Distress? Struggling with Copays?

VA has programs that can help you with your copay requirements!

- **Hardship**—If your income has recently changed, you may qualify for VA medical care without copays.
- **Repayment Plan**—You can establish a plan to spread your current health care debt over a specified period of time.
- **Compromise**—You can request a one-time monetary settlement eliminating your current health care debt.
- **Waiver**—You can request that your current copay debt be waived. If eligible for Beneficiary Travel you might also be able to eliminate the mileage reimbursement deductible.
