# ***Ship Deck Logs***

You are probably familiar with Blue Water Navy webpage that addresses Deck Logs

You can see a second website [http://veteransinfo.org/deck\\_logs.html](http://veteransinfo.org/deck_logs.html)

Textual Reference Archives II Branch (RDT2) National Archives at College Park, MD

Use the email [archives2reference@nara.gov](mailto:archives2reference@nara.gov). They've got all the Deck Logs, but they charge \$0.80/page to copy it plus postage. They will only take a max 60-90 day window at a time. It can take 2-3 weeks to receive a response and another 30 days to process your order. A month can run about 55 pages (\$40) then estimated postage (estimate \$12-15 for 100 pages) They contact you after your request to get a credit card from you and give you an estimate of cost. There are a FEW, but not many, random months from various ships missing.
