06/26/13

Dear President Obama:

In light of all your actions and many inactions (i.e. campaign promises) I feel it important to let you know I personally think you should resign.

And to let you know I've joined the Impeach Obama movement as well.

You promised to reduce the budget and deficit and failed on both.

You promised full disclosure, and failed.

When Bin-Laden was killed, your entire speech you used the words "I", "ME", and never once mentioned thanks to the team that actually did the job.

Then you blamed Benghazi on a You-Tube video knowing full well that was not the truth, then you chose to have your administration lie and cover-up the truth, and the inactions on your administration cost lives.

Then you had the audacity to "dictate" military law thus causing a serious problem with two cases now being tried in military courts martial under the UCMJ tying the judges hands when you had absolutely no business discussing military law.

I will continue to pursue your impeachment, but feel you'd do yourself much better to resign!

Financial analysts are already predicting 10 years after you leave office the mess in your wake will leave American Taxpayers with a \$265 trillion dollar deficit.

Prior to that you gave administrative staff pay raises from 24%-78%! What employer in their right mind anywhere in the world would give such extravagant pay raises, never once having to have met a payroll, never having run a successful business?

I guess it's very easy to do when it's not your money to play with!

And now you want to fund Syrian Jihadists? Get real! We need to stop giving OUR money which by the way isn't ours, it's borrowed, away to foreign country's, especially ones who do not support us!

Again enough is enough, and it's truly time for you to go!

My father proudly served in the United States Marine Corps, and passed away in 2006 due to illness he got through his serious and constant exposure to Agent Orange. I was raised a military brat, to respect the office of POTUS, but I do not have to respect you sir, and I don't!

Regards,
