Dear {VA Official}:

I am filing a claim in anticipation of the final VA rule/regulation, which will allow presumptive service connected death benefits to be paid based on three new conditions under the Agent Orange Act of 1991.

Specifically I am requesting the establishment of a service connected death decision based on my late spouse's service in Vietnam and the: {insert one of the following: B-cell leukemia, Parkinson's disease, Ischemic Heart Disease} which caused or contributed to his/her demise.

I am submitting (or will submit) medical evidence /records indicating symptoms of, or diagnosis of _____ to support the claim to establish service connected cause of death.

Sincerely yours,
