Films

Agent Orange: A Personal Requiem. Masako Sakata's story of going to Vietnam to better understand Agent Orange, after her husband died from cancer believed to be caused by his exposure to it. (2006)

Agent Orange: Thirty Years Later. Written and Directed by John Trinh. Tells the story of several victims of Agent Orange exposed when it was sprayed during the war. (2008, 56 mins.)

Battle's Poison Cloud. Directed by Cecile Trijssenaar of Tambuti Films. Examines the birth defects issue related to Agent Orange exposure and recent scientific research, including studies by Hatfield Consultants Ltd. (2003)

Da Cam. A Vietnamese-American, Vu Tran, returns to Vietnam to document the stories of those believed to have been affected by Agent Orange. (2005)

The Friendship Village. Directed by Michelle Mason, an award-winning 50-minute documentary about an international group of veterans who built a village in Vietnam for children with Agent Orange-related disabilities. (2002)

Last Ghost of War. Directed by Janet Gardner and produced by Gardner and Pham Quoc Thai. Tells the story of Vietnamese plaintiffs in a class action suit against the chemical companies that produced Agent Orange. (2008)

A Story from the Corner of the Park. Directed by Tran Van Thuy. Tells the story of a Vietnamese family in Hanoi whose children are believed to be affected by Agent Orange. (1996, 50 mins.)

Through Their Eyes. Directed by Jackee Chang. Black Bag Productions. (2010, 74 mins.)

Vietnam: The Secret Agent. Directed by Jacki Ochs. The first comprehensive look at dioxin, the contaminant of domestic herbicides and Agent Orange during the Vietnam War. (1983)

Books:

Buckingham, William: *Operation Ranch Hand – the Air Force and Herbicides in Southeast Asia 1961-1971*. Office of Air Force History, US Air Force, Washington, DC 1982.

Gough, Michael: *Dioxin, Agent Orange: The Facts*. Plenum Publishing Corporation; (April 1986)

Griffiths, Philip Jones: *Agent Orange: Collateral Damage in Viet Nam*. Collection of photos and essays on impacts of Agent Orange in Vietnam and Cambodia. Trolley Books, 2003.

Contact War Legacies Project for more information <http://www.warlegacies.org> or email shammond@warlegacies.org

National Academy of Sciences: *Veterans and Agent Orange Update 2008*. Comprehensive evaluation of scientific and medical information on the health effects of exposure to Agent Orange and other herbicides used in Vietnam. 2009. (Also bi-annual updates starting in 1996)

Wilcox, Fred A.: *Waiting for an Army to Die: The Tragedy of Agent Orange*. Seven Locks Press (October 1989)

Young, Alvin: *The History, Use, Disposition and Environmental Fate of Agent Orange*. Springer (April 2009). The U.S. Deputy Undersecretary of Defense (Installations and Environment) commissioned this book to document the disposition and environmental fate of Agent Orange and its associated dioxin.
