URGENT - Please Read Agent Orange Report

The information from the Agent Orange report in no way is meant to take away from what we all feel as Vietnam Veterans, having served there my self in 1965, when we set up the first " Market Time Operations from Cambodia to the Gulf Of Tonkin.

How, I remember operation RollingThunder I was there and I saw it for my self, how ever the Veterans Administration and our Government has covered up the truth about agent orange.

Today thousands of Naval Blue water sailors and Coast Guard and Marine unit's detached to Naval ship's continue to be denied benefit's related to agent orange. We Quote " DID NOT SET FOOT ON LAND / NO CONTAMINATION " claim denied!!!!

And we are considered (Vietnam Era Veterans) I, we are proud of our service how ever we have been lied to by our own government and our children still suffer from our exposure to Agent Orange.

How proud can we be as American veterans when this cover up continue's.

Here is the link to this report to the secretary of Veteran affairs by Admiral Elmo Zumwalt (<http://www.gulfwarvets.com/ao.html>) you decide the truth from this report.
